A Diamond as an Investment.

Better than stocks and bonds is an investment in a diamond. Diamonds are always advancing in price-there is no possibility of a slump in the market.

We import our Diamonds direct from the cutters, saving you the middleman's profit. Though our stock includes stones at all prices we make a special feature of those at \$25.00, \$50.00, \$75.00 and \$100.00. Our values at these prices are unequaled.

We guarantee to allow the full price of any solitaire diamond bought from us in exchange for a more expensive

Washington seems to have succumbed extraordinary at the Cosmos Theater to the charm and novelty of Edison's next week. It is presented by seven talking pictures at Chase's. Two of the latest Edison creations have been secured for next week, the foremost being "Her Redemption," a play of human interest and laughable comedy, played by prominent actors, and the other, "The Chimes of Normandy," Planchette's familiar opera, with its immortal melodies, sung by opera stars and chorus exactly as given on the stage. These two, it is announced, will perfectly illustrate the possibilities of the Edison invention. A large and varied series of kinemacolor plays, travel scenes and diverting subjects and many new photodramas of comedy, farce, fantasy and outdoor life will be shown, with a complete change daily in the kinenacolor plays and photodramas. The performances are continuous, from 1 p.m. to 11 p.m. daily and from 3 p.m. to 10:30
